

Facilities Management Solutions

ADA Assessments

FMS' ADA Assessments ensure your facilities comply with the Americans with Disabilities Act, enhancing accessibility for everyone. Our expert team identifies barriers and conducts thorough evaluations, offering actionable recommendations to create an inclusive environment for all individuals.

ADA Compliance Plan Development

- **Critical Information**

- Findings summary
- Barrier identification
- Remedial recommendations
- Cost estimates
- Implementation schedule
- Review procedures

- **Solutions**

- Track ADA expenditures or barrier removals

- **Roadmap**

- Achieve full ADA Transition Plan compliance

- **Online Database**

- Monitor, track, and update the Compliance Plan

ADA Self Evaluation

- Identify necessary documents, data, and inventories.
- Perform essential inventories.
- Assess facility compliance and identify physical barriers.
- Review policies, programs, and practices for potential discriminatory issues.

Communication & Consulting Services

FMS ensures all communication channels meet ADA requirements and provides ongoing support for ADA-related issues.

Communications Plan

- Collaborate with departments to assess communication channels.
- Recommend improvements for mailings, emails, emergency communications, website accessibility, and social media.

Consulting Services

- Provide ongoing advice and feedback on ADA-related issues throughout the contract.

Training Plan

Training Includes:

- Preliminary Training Plan: Detailed training content for your personnel.
- Train the Trainer: Thorough training for designated staff who will train others.
- Training Essentials Outline: Class descriptions, resources, hours required, and session capacity.
